MEET OUR WORKSHOP LEADERS

MELANIE ERASMUS

Melanie is the Country Leader for South Africa. Melanie is the South Africa Country Leader and a creative arts specialist in Cape Town. Married with two children, her faith has inspired her to use dance to share Christ's love. She is trained in Ballet, Modern-Jazz, Hip-hop, Spanish, and Contemporary dance. Melanie founded Emanate, a Christian Dance Company, and authored a Christian dance syllabus and the book "Lights, Camera, Passion," where she shares her dance journey and encourages others to find their own paths.

Her workshop, "Africa...Unity in worship," focuses on worship unity and reconciliation, emphasizing the importance of storytelling in cultural dances. Participants are welcome to share their stories of overcoming.

ROBIN JOSEPH

Robin is the Network Leader for Ballroom Dance. Robin lives in Cape Town South Africa. She is trained in various dance forms with the majority of her dance training in ballet, ballroom and Latin and continues to attend ballroom and Latin training sessions and events to keep abreast with current trends. She belongs to a Christian Dance Ministry group called Jubilate and enjoys dancing and ministering through dance at various events.

Robin will be teaching a basic Waltz routine to Christian music, and the routine will be adapted for solo dancing. Discover how we can take a traditional ballroom dance that is usually danced with a partner and show how you can still perform a waltz routine and follow the line of dance in situations where there is a lack of partners.

ANDY RAINE

Andy is the Network Leader for Men in Dance. He lives on Holy Island in the UK. He believes that dance is for everybody, skilled or unskilled, trained or untrained. It can break through our defences and connect unexpectedly with the heart. The Men in Dance Network's Facebook group is open to all men interested in dance, whatever their faith or none, professional dancers or practitioners or others for whom dance is important in their life and experience.

Andy will teach a workshop as he might do with men. However, on this occasion, the workshop is open to everyone. Previous experience in dance is not essential. Experience of being a man would be an advantage but not required!

MINDY FISHER SETA

Mindy is the Network Leader for Messianic Dance and Tambourine. She has a Doctorate in Education from Liberty University in Community Care and Counseling with a focus on trauma. She also holds an M.A. in Human Services Counseling and a B.A. in Communications. She and her husband Ralph Seta lead Messianic Dance Camps International. They teach Messianic dance all over the United States and throughout the world. They also produced a dance curriculum used within the Messianic movement. Mindy is certified as an Israeli dance instructor through an academic college in Israel.

This Messianic dance class will feature beginning dances for the Fall High Holy Days.
